stated.

In the form of catchwords, this index provides information on the articles published in the *Monthly Report* of the Deutsche Bundesbank between January 2000 and December 2010. The articles published prior to this period were last listed in the indexes of December 1966, December 1981, December 1999 and December 2009.

The *Monthly Report* and this index are published autonomously by the Deutsche Bundesbank, Frankfurt am Main. They are published by virtue of section 18 of the Bundesbank Act. They are available to interested parties free of charge.
