

Distribution of pictures from the coin and banknote collection

We deliver pre-existing publication-quality images of coins, banknotes or other collection items to enquirers free of charge.

Pre-existing images can be found in:

- the pictures archive¹ (internet quality or higher resolution up to 300 dpi, downloadable)
- the online catalogue² (internet quality or higher resolution up to 300 dpi, on request, free of charge)

Publication-quality images from the internal working database continue to be delivered free of charge. Please contact us at **numismatik@bundesbank.de**

We also make images on request for a fee if

- they are not already available in the resources stated above €15.00
- they have certain configurations requiring a new version (high resolution above 300 dpi or special file formats) €30.00

Should these images be published, we request that you state
“**Deutsche Bundesbank, Frankfurt am Main**” as the official source.

The images will be dispatched once any fees have been credited to the following account:

Deutsche Bundesbank

IBAN DE 7450 4000 0000 5040 2765 (**BIC**: MARKDEFF)
