In the first half of 2022 Federal securities (Federal bonds, Federal notes, Federal Treasury notes, Treasury discount paper and inflation-linked Federal securities and Green Bonds) were issued in 60 auctions via the Bund Issues Auction Group.

The attached list shows the current ranking of the 32 group members. The ranking is based on the allotted amounts in 2022, weighted by the respective duration and interest rate risk of the auctioned securities. The relevant weights were announced in December 2020.

The ranking will be published twice a year, towards the end of June and December.
