

Classification of economic activities in accordance with NACE Rev. 2

The economic activities listed below are presented in line with the sectoral classification used in external sector statistics. They serve as a reference point when entering the economic activity on the reporting forms. The specific nature of the economic activity of the company being reported on should always be given (eg "Manufacture of plastic parts", "Sale of electrical appliances", "Hotel management"). More detailed information on the classification of economic activities can be found at
