Analysis → Auction

Analyses of previous auctions

Multi-ISIN-Auctions

Several inflation-linked German Government securities (ISIN) will be offered in a Multi-ISIN-Auction under one TenderID

Entering and deleting bids

Bids → Enter / Display

General information

- Bids should state the price, yield bids will not be considered
- Restricted to a maximum of 40 bid fields (including deleted bids)
- Double bids (identical amount and price) permissible with warning message
- Parallel submitting of bids by more than one BBS user of a bidder only at Multi-ISIN-Auctions for different ISINs
- Separate display of bidding rules possible
- Backup: submission of bids by fax

Display of bids

- Bids not yet transferred
- Accepted bids
- Deleted bids
- Accepted bids with warning message
- Impermissible entries

Entering bids

- Amounts expressed as € million(s) without formatting characters and decimal places
- non-competitive bid with “0” in the field price

Changing / deleting bids

- Bid not yet transferred: overwrite or delete entry
- Bid transferred: deletion of bid and, if desired, entry of a new bid

User management

Access to user management in ExtraNet

<https://extranet.bundesbank.de/bsvpub/register1.do?fv=BBS>

Identification number

MFI or bidder number

Allocation of user roles

- Role of “bidder”: all functions without analysis
- Role of “analyst”: display announcement and invitation to bid; analysis
- Allocation of both roles: complete range of functions
