June 2019
Central banking in practice

Within the framework of the Central Bank Cooperation, the Deutsche Bundesbank offers all interested foreign central bankers and banking supervisors:

- a possibility to share knowledge, expertise and experience
- a platform for the exchange of views and ideas
- an opportunity for networking

We cover all topics related to central banking:
- monetary policy
- banking supervision
- financial stability and macroprudential policy
- cash and cashless payments
- good governance
- statistics
- other central bank topics

What we offer

International central banking courses

- around 40 courses every year
- up to 20 participants, one participant per central bank
- in Germany, mainly Frankfurt
- course language English
- three to five days
- wide range of central bank topics
- various formats
- different target groups

For more information please see our course brochure on www.bundesbank.de/cic

To apply for a course please use our online-registration on www.bundesbank.de/courseregistration
