* Transfers in connection with the EU budget, which are summarised here, comprise mainly secondary income. The refunds of collection costs constitute receipts from services in the balance of payments; payments from the Regional Fund and the European Agricultural Guarantee Fund (EAGF) (up until 2006 European Agricultural Guidance and Guarantee Fund (EAGGF)) are recorded in the capital account under capital transfers. ¹ Excl. special monetary compensation for exports to the United Kingdom and Italy. The monetary compensatory amounts for these countries' imports from other EU Member States are paid out via the exporting country and not, as is normally the case, by the importing country. ² Refund of collection costs at 10%

between 1988 and 2000; 25% from 2001 onwards for custom duties and levies under the common agricultural policy; back payments are included in the 2002 figure. Since 1988, the Member States have retained this sum when transferring own resources to the EU. ³ Until the end of 2006, includes payments by the guidance section of EAGFL. Incl. the European Fisheries Fund and direct payments from the EU to final beneficiaries. ⁴ Additional EU receipts for financing the remainder of the EU budget; they are calculated on the basis of the German share in the total gross national income (GNI) of the EU.
