

EUROPEAN SYSTEM OF CENTRAL BANKS RESEARCH CLUSTERS

10th Annual Workshop of the ESCB Research Cluster 3 on “Financial Stability, Macroprudential Regulation and Microprudential Supervision”

CALL FOR PAPERS

Monday, 23 and Tuesday, 24 November 2026

European Central Bank
Frankfurt am Main

The European Central Bank and the Deutsche Bundesbank are organising the tenth annual workshop of the European System of Central Banks (ESCB) Research Cluster 3, which will take place in Frankfurt am Main, on 23 and 24 November 2026.

This year the keynote speakers are Vasso Ioannidou (Bayes Business School) and José-Luis Peydró (Luiss and EIEF).

Submissions

We would like to invite submissions from all active ESCB researchers, including colleagues working in policy areas (e.g., banking supervision, financial stability and risk management). Authors are encouraged to submit theoretical or empirical papers mainly focusing on *financial stability* (FS), *macroprudential regulation* (MR) and *microprudential supervision* (MS).

Interested authors should submit full papers in PDF format to: Escb-research.cluster3@ecb.europa.eu

Submission deadline: 29 June 2026.

Authors of accepted papers will be notified by mid-August 2026.

To help the review process, please indicate the cluster subject area (FS, MR or MS) most relevant to your paper and whether your contribution is primarily theoretical or empirical.

Papers will be selected based on academic quality, policy relevance and fit within the workshop sessions. We particularly welcome work featuring collaboration across ESCB institutions and submissions from junior researchers.

Scientific Committee

Marianna Blix Grimaldi (Sveriges Riksbank)
Dominic Cucic (Danmarks Nationalbank)
Olivier DeJonghe (Banque Nationale de Belgique, European Central Bank)
Björn Imbierowicz (Deutsche Bundesbank)
